 - b) Sponsorships from Pork Board, Dairy Board, etc.
 - c) Request from Wellesley Fall Fair: “Hi Jamie, I know ABC has committed to supporting us again this year, as usual, for the fair. I actually am coming, hand out begging for a bit more than usual with two asks.
 1. I am wondering if there is a possibility of the fair borrowing a booth or two for us to use for our ticket booths this year? We would need them setup and ready by Friday afternoon until Saturday evening (really Sunday morning). Is that something we could borrow?
 2. I have heard through the lovely small town gossip, that you guys received a grant or something along those lines. I'm not sure if there are specific requirements for the disbursement of the money you need to follow, if you are even allowed to use the money for another organization. I was emailing to inquire about this, see if there was something specific the fair could ask for or if there was any possibility of ABC donating more than your normal amount of \$500? A very generous and appreciated amount, and one we do not take

for granted. But any additional funds is certainly appreciated! Regardless if you are able to do either ask, we are always thankful for the continued support. Monetary and more.

Thanks,

Susan, President, Wellesley NEH Agricultural Society”
